Petition Opposing Torquay Aquatic Centre.

Due to a prior engagement the following Residents of Lorne are unable to attend the meeting on Tuesday the 15th of September regarding the proposal put forward by Council for an Aquatic Centre in Torquay. We are vehemently opposed to this project because of the proposed funding arrangements that would force all Lorne Rate payers to contribute to this project.

The distance we would have to drive for the privilege of using the facility is too great. There are also many residents who are unable to drive, but who would benefit from a heated pool. We were promised a heated pool in Lorne but it never eventuated.

It would be appreciated if you would reconsider NOT including the Lorne Residents in your proposed funding plan. Attached is a list of the Lorne Bowls Club Members who are opposed to the Project in its current format
