We object to the building of the Torquay pool

# **Increased Rates / Charges to fund Torquay Pool**

## **Petition**

- **Special levy in addition to rates, up to \$150 / year**
  - For 20 years
  - Depending on location
  - Assumed State Government funding – yet to get commitment
  - Plus addition levy to fund ongoing operation – or reduce existing services
  
- **Catchment of 17,500 people within 14 km radius is below the 40,000 people “ideally required to achieve a break even financial result for the operation of an indoor aquatic facility” – Council feasibility study, 2009**
  
- **Located behind council offices**
  - Would you drive there?
  - Duplicating existing facilities (eg. Waurm Ponds)
  - No existing linkage with public transport
  
- **Council can't borrow for other major projects for 10 years**

Please sign this petition if you object to the building of the Torquay pool
