PO Box 350
Torquay. Vic. 3228

Dear Richard,

RE: PROPOSAL TO SEAL HOPKINS ST

Please find attached a letter of endorsement supporting the sealing of Hopkins St between the Great Ocean Rd and Hartley St.

These petitioners are not included in the Special Charge Scheme, but as residents who regularly travel along this stretch of road, to access their properties in the north east precinct of Aireys Inlet, they are impacted by the issues nominated in the initial petition from Hopkins St residents.

We ask that you take into consideration the strong feeling of support for this proposal, from the residents in this area.

Yours faithfully,
