<b><i>General Business</i></b>	<p>On Monday 21st March the Globe C.O.M held a special meeting to discuss the installation of a new dishwasher and some structural alterations to one of the internal kitchen walls to accommodate a workbench. The Winchelsea Repertory Society provided a set of plans along with a covering letter, which will be sent to the S.C.S showing the work which would be required.</p> <p>At our last C.O.M meeting the Rep Society proposed the installation of a large dishwasher which would help accommodate the larger amount of catering for their shows.</p>	

	<p>The following is the outcome of the meeting.</p> <ul style="list-style-type: none"><li>* The C.O.M is happy to support the installation of the dishwasher which will be installed by the S.C.S.</li><li>* The cost of the dishwasher will be borne between the Rep Society and the Globe C.O.M</li><li>* The C.O.M agreed that the structural brick work to accommodate a workbench could wait, providing the alteration meets Council approval and be incorporated into the installation of the new storeroom when that work is done.</li><li>* The C.O.M did not feel that there is a need for extra refrigeration.</li></ul> <p>Maureen King Globe committee secretary.</p>
