Subject: Petition - Application number 16/0125 - 1160 Horseshoe Bend Road

Hi Mindy,

Further to the objection application I submitted on the 6th of July for the above planning application, please find below a link to a petition which has collected over 100 objection signatures in less than 5 days. Now that the community has been made aware of the specifics of the plan, there is clearly a public interest and groundswell against its construction. This petition will also continue to be circulated amongst community members to raise awareness of this development.

The petition calls on the Surf Coast Shire to reject application no. 16/0125 - 1160 Horseshoe Bend Rd, Torquay and ensure that the construction of a petrol station is not permitted on Fischer Street, Torquay.

I will be advising local media of this petition as the overwhelming support it has received in such a short time makes this a real community issue that needs addressing.

Also, I advise you that I will be keeping all signees to the petition informed of all updates and correspondence received from the Surf Coast Shire.

Kind regards,

Carolina

The proposed petrol station on Fischer St in Torquay is an unnecessary addition to the commercial precinct that is currently been constructed in the Dunes Estate.

Petrol stations belong on the Highway, not in the backstreets of Torquay. Let's keep Torquay beautiful and charming.

Clearly a petrol station has no place and provides no benefit to the Dunes and Quay area. Below is a list of reasons why we need to stop this development.

- Extra traffic and noise
- Devaluation of properties in the adjoining area
- An eye sore
- There is an abundance of more appropriate sites a stones throw away from the proposed site.

We the undersigned, call on the Surf Coast Shire to reject application no. 16/0125 - 1160 Horseshoe Bend Rd, Torquay and ensure that the construction of a petrol station is not permitted on Fischer Street Torquay.
