

# Torquay Library Social Script

I am going to the Torquay Library.

To enter the library, I will go through the automatic doors.

The Torquay Library is bright with lots of windows. At times it can be noisy. I can wear my earmuffs if I want to.

Sometimes the librarians read stories and sing songs. I can join in if I want to.

At the library there are books I can look at and read.

The library also has magazines, DVDs and CDs. I can borrow library items and take them home.

I use my library card to borrow items from the library.

I can ask the librarian to help me borrow or I can do it myself using a self checkout machine.

# RETURNS

1/

2/

3/

4/

When the items I borrowed are due, I can return them through the returns chute.

There are toilets at the library. I can ask a grown up if I wish to use the toilets.

When it's time to leave, I can say goodbye to the librarians. Going to the library is fun.
