Child Care Subsidy (applicable for Occasional Care services)

- Council complies with the Australian Government requirements to be an approved education and care service for the purposes of Child Care Subsidy
- The on-line Child Care Subsidy System reporting requirements and any other requirements for claiming and administering Child Care Subsidy is maintained by council.
- It is the parent/guardian's responsibility to lodge a claim for Child Care Subsidy with Centrelink or through their myGov account.
- Parent/guardians must confirm their child's enrolment at a service through their myGov account (Centrelink) before Child Care Subsidy can commence.
- Child Care Subsidy cannot be claimed in bulk at the end of the financial year.
- Families with children under 7 years seeking Child Care Subsidy will be required to meet the Australian Government's immunisation requirements. To finalise enrolments for a child in Occasional Care, parents/carers have to provide the service with a current copy of their child's immunisation history statement.

- Families will only be eligible for Child Care Subsidy if child care attendance records are accurately completed and signed by the parents/guardians or other authorised person and all eligibility requirements are met.
- Families are entitled to 42 absence days for each registered child in each financial year. Child Care Subsidy is paid for these days provided the child would normally have attended on that day, and fees have been charged.
- Additional absences can be claimed after the first 42 absence days have been used and these are called 'additional absence days'. There is no limit on the number of days for which Child Care Subsidy may be paid, as long as they are for the reasons specified in the current Child Care Provider Handbook. Supporting documentation is required for approval of 'additional absence days'.
- All documentation pertaining to Child Care Subsidy will be kept for the specified period of time and made available to Australian Government Officers on request.

Child Care Subsidy (CCS) will not be paid for absences where:

- A child who has not yet received care or who has ceased receiving care.
- A provider charges a family to reserve a place for a child who has not physically started care.
- A child is booked in to start at a service on a particular date, and does not start on that day; no CCS will be paid until the child physically attends a session of care.
- When ceasing care, the child must attend the last booked day or your CCS may be rescinded to the last day your child attended
- A child is absent for more than fourteen consecutive weeks.
- A child care service is taken to have permanently ceased providing care for a child on the day the child last physically attends a session of care. This means that CCS will not be paid for absences submitted after a child last physically attends a session.
- Further Child Care Subsidy information can be found at <https://www.servicesaustralia.gov.au/individuals/services/centrelink/child-care-subsidy>
- if your child identifies as Aboriginal and/or Torres Strait Islander (note: the parent, carer or legal guardian should not be asked to provide verification of this)
- if your child is identified on their birth certificate as being a multiple birth child (triplets or more).
