

Health and Wellbeing Grants

Guidelines

Surf Coast Shire Council's Health and Wellbeing Grants fund innovative and impactful projects that support community health and wellbeing and help our community and environment to thrive.

Funds available

Grants of up to **\$5,000** are available in this program. Applicants must contribute a minimum of 30% (cash or in-kind) towards the total project cost.

Applications are open for the month of September. Applications are assessed in October and successful projects must be delivered within 6 months of receiving funding.

Grant purpose

Council values the knowledge, skills and motivation people have to take action on ideas that contribute to a thriving Surf Coast Shire community and environment.

The Health and Wellbeing Grants contribute funds towards community-led projects that actively work to improve the health and wellbeing of the community by addressing one or more of the Health and Wellbeing Pillars identified in the Surf Coast Shire Municipal Public Health and Wellbeing Plan.

This may include, for example, projects that increase social connection, build inclusion, encourage healthy eating, support physical activity and movement, incorporate health and wellbeing education and learning opportunities, support positive mental wellbeing, foster the development of respectful relationships, challenge gender stereotypes or have positive environmental and/or climate impacts.

Council's [Municipal Public Health and Wellbeing Plan](#) is integrated into the [Council Plan](#) reflecting the notion that community health and wellbeing is everyone's responsibility. The Council plan provides some information and insight into the Municipal Public Health and Wellbeing Plan and identified Health and Wellbeing Pillars.

The project responds to a current opportunity and/or need by addressing one or more of the funding priorities listed above.	35%

The budget is fully detailed, costed with quotes.	10%

Equity and inclusion considerations for your project:

The *Gender Equality Act 2020* means that Council has a legislated requirement and a responsibility to promote and support gender equality. For more information about the *Gender Equality Act*, visit genderequalitycommission.vic.gov.au/about-gender-equality-act-2020

Surf Coast Shire Council is committed to promoting equality and access for all people regardless of race, sex, sexuality, age, ability and disability, socio-economic status, education, ethnicities and faith.

We believe our diversity is what makes our community stronger.

To ensure our grants program is equitable and inclusive, projects that remove barriers to participation for marginalised groups and emphasise inclusion will be given preference over projects which encourage stereotypes or are not accessible to all. This might look like:

- Your facilities, publications and processes are accessible and inclusive as possible
- You make reasonable adjustments for marginalised groups
- You are open to feedback for how you can improve access and inclusion
- You actively promote the participation of women and girls in your project or group.

Important Note

Council typically receives greater demand for project funding than is available through the annual grants budget. If applications have equal merit, a lower priority may be assigned to projects/initiatives that:

- Received Council grant funds in the same or previous financial year
- Are recommended/are likely to be recommended for funding through other Council grants
- Receive their core funding from State or Federal governments
- Have greater access to funding from sources other than this grant.
